July 2016

Dear parents,

It's the end of another busy term and a fantastic year in which so much has happened as covered in the regular newsletters and other communications sent to you all. We have so much to celebrate!!

In the last couple of weeks, both the School Performance Committee and the full Governing Body have met. We are very impressed with the children's results, both in SATs and also the overall progress made by ALL the children. Mrs Ray & her staff were congratulated by the governors for their hard work during the year which has helped the children produce such good work. We can't stress enough the amount of additional work that the new curriculum and changes to the way the children are assessed has added to their workload. The children now have a clear understanding of what they have learnt and what they need to work on next to which they have responded very positively.

Children in Class 1 are enjoying their new outdoor environment. Given our wet 'summer' the canopy is already proving beneficial and will really come into its own next term as the weather gets colder.

During the summer holidays extensive repairs to the flat roof will be done and the window in Class 1 will be replaced during the October half term.

The Breakfast Club and the After School clubs have been appreciated by you all and the children love the activities at the clubs. We hope you will continue to support this additional provision in the next academic year.

So, what are our plans from September? It's 'onwards & upwards'! Governors and staff have now agreed the School Development Plan for next year which includes plans for progressing towards our aim of becoming an 'Outstanding' school. The plans for transition to academy status are on track and more detail of progress will follow next term.

Head teacher: Mrs Rachel Ray

Chair of Governors: Mr Stuart Simpson

The governors have also agreed in principle to take children from three years of age from September 2017. During next term, a business case will be presented to the governors for consideration.

Everyone is now ready for the summer holidays and hoping that the sun will show its face a bit more. We would like to wish our children moving to secondary school every success. Enjoy the holidays and we will see you again in September.

Best wishes from  
The Langton Governing Body
