

Langton Primary School Newsletter

As we come to the end of this half term, we'd like to thank all our families for their continued support. It's been a busy few weeks full of learning, teamwork, and fun!

A huge well done to everyone who took part in our **Sponsored Walk** — and congratulations to **Max**, who won the raffle prize of a **£10 book voucher**.

We also held our **school raffle**, and we're pleased to announce that **Clara** and **Arabella** were the lucky winners, each receiving a **£5 Amazon voucher**.

Our **House Point results** for this half term are:

- 1 **Howard Vyse – 770 points**
- 2 **Turner – 726 points**
- 3 **Hill – 677 points**
- 4 **Boyes – 674 points**

Congratulations to **Howard Vyse**, our winning house! Pupils in Howard Vyse can look forward to a **non-uniform day and special treat on Friday 7th November** to celebrate their success.

Wishing everyone a wonderful half-term break — we look forward to seeing you all back refreshed and ready for another great term!

Miss Katie Stringer

Head of School

Lost Property

In school we have accumulated lots of jumpers and cardigans please can you name your child's clothing so that we can make sure that they can be reunited at the end of the day. Some of our lost property has been there a while so we will be donating this to FOLS at the end of next week.

Parking

We are aware that drop off and pick up is a busy time in Langton Village. Please can we remind parents not to directly park outside school. If you have any concerns about parking at drop off and collection please contact the Local Authority to raise the issue.

Year 6 – Forest School Sessions on Thursdays

We are pleased to let you know that Year 6 will be taking part in **Forest School sessions every Thursday** next half term. Please ensure your child is **dressed appropriately for the weather**, as the sessions will take place **outdoors in all conditions**. We recommend **waterproof coats and suitable footwear (wellies or sturdy shoes)**. Thank you for your support — we're looking forward to lots of exciting outdoor learning!

Langton Clubs Autumn 2

Please find below our extra-curricular clubs for next half term. To book a place, please do this through Arbor when it is available next week.

	Monday	Tuesday	Wednesday

Age	Key Stage 2 (years 3-6)	EYFS/KS1 (reception, year 1 & 2)	All years

KS2 Residential

We are very excited to offer our KS2 pupils (Years 3–6) the opportunity to attend a residential trip to Bewerley Park. To help us gauge interest and begin planning, please complete the form via the link below to express your interest in your child attending this residential by Monday 3rd November - <https://forms.cloud.microsoft/e/bwmcWcF6LQ>

SPORT

SPORT ENHANCEMENT DAY

Our school went to an amazing sports enhancement day at Terrington hall and we played lots of different sports such as pickle ball, tag rugby, hurdles, optical courses and more. Some of the sports included lots of equipment like nets, tag belts, rugby balls and ladders. Our school worked really hard to try our best and have lots of fun we worked really well together and had great sportsman ship.

Football Tournament @Malton Sports Centre

All of rye class went on the tournament to Malton sports centre there were 3 teams, the Boys A team the girls A Team and the mixed team.

Boys A Team.

The boys A Team made it to the finals of that tournament. They showed good sportsmanship and played with everything they had.

Girls A Team.

The girls team played immaculately, they made it to the finals and won a crazy 9-0!

Mixed Team

The mixed team did well like everyone else with good sportsman ship and just won 1 game and tried their hardest. For the mixed team there was no tournaments after that it was just 5 friend games each being 7 minutes a game. By: *Stanley*

Ouse Football Tournament

On Wednesday 15th October, Ouse class travelled to Malton sports centre on a coach for a football tournament. Ouse were split into 3 groups, the mixed team, girls team and boys team. Mrs Cuthbertson was with the girls, Mr Cairns was with the boys and Miss Syms was with the mixed. The girls team and the boys team played on the 3G pitch whilst the mixed team played on the grass. Each team played 5 games. The girls and boys played Sheriff Hutton first. Both the scores were 0 – 0. We also played Amotherby and the girls won 2 – 0. Mrs Cuthbertson was yelling with all her might (like she always does). The boys won against Stillington and so did the girls! The last team we played was Slingsby they were a really good team and hard to beat. The boys team unfortunately lost 1 – 0 but the girls managed to beat them 1 – 0. The fourth team were Malton School who were also a very tough team to beat the boys drew 0 – 0 but again the girls managed to beat them 1 – 0! We had finished the tournament! Mr Cairns and Mrs Cuthbertson gave us a team talk and told us some things we could try and improve on.

Then it was time to hand out the trophy. The boys team sadly lost to Sheriff Hutton but the girls won the girls part of the tournament. Mrs Cuthbertson shouted even louder when we won the tournament.

Thank You for everyone who took part and a very special mention to the teachers who helped with us especially Mrs Cuthbertson, Mr Cairns and Miss Syms for coaching us. We all had loads of fun Thank You. Thank you for reading our report.

Langton primary school sponsored walk!

The whole of Langton went on a sponsored walk through fields of Langton, we went to raise money for the new trim trail on our playground. The best bit was when we kindly got offered biscuits by the Langton fols team half way through the walk. We also had a chance to open some smooth, shiny brown conkers and collect acorns. We all would recommend this walk to anyone. By Ruby

Forest School Club

Forest school is a place to be creative and be active like on the first day we made flower plaster of Paris it was so fun. We also made conker soap we think it works because it is bubbles and a bow and arrows, and whittled wands and dipped leaves in wax .On our last day we had a fire and toasted marshmallows . We played games like owls and mice and enjoyed exploring the leafy glade. It was really exciting and fun.

Year 6 – Forest School Sessions on Thursdays

We are pleased to let you know that Year 6 will be taking part in **Forest School sessions every Thursday** next half term. Please ensure your child is **dressed appropriately for the weather**, as the sessions will take place **outdoors in all conditions**. We recommend **waterproof coats and suitable footwear (wellies or sturdy shoes)**. Thank you for your support — we're looking forward to lots of exciting outdoor learning!

FAO Parents of nursery age children

This information is for parents with children born between 1 September 2021 and 31 August 2022.

You can now apply for a primary school place for them to start school in Reception in September 2026 and the deadline to apply is **15 January 2026**.

Applying couldn't be easier.

The quickest and easiest way to apply for a primary school place is online at

www.northyorks.gov.uk/NYC-PRIML

Application Process in North Yorkshire:

- You only need to submit one application, and this should be done through the Local Authority where you live (i.e. where you pay your council tax).
- You can list up to five schools on your North Yorkshire application, please note that applying to just one school will not improve your chances of getting a place there.
- You can apply to any school or academy in North Yorkshire and if you want to apply for a school in another Local Authority area, list it on your application and the council will liaise with them.

Information:

- Before completing your application form, we highly recommend reviewing the important information available on our school admissions and home to school transport pages. The information will answer many of your questions and help you navigate the process.
- School admissions web page can be found at www.northyorks.gov.uk/admissions
- There have been changes in eligibility to free home to school travel, more information on this and a 'Find my nearest school' distance calculator can be found on home to school transport web page www.northyorks.gov.uk/schooltransport
- We strongly encourage you to include your nearest school as one of your preferences. Not doing so might result in your child being allocated a place at a school farther away, and you would be responsible for any transport arrangements and costs.
- If you are thinking of delaying your child's entry into school more information and what you need to consider can be found here [www.northyorks.gov.uk/making a request for admission out of the normal age group](http://www.northyorks.gov.uk/making-a-request-for-admission-out-of-the-normal-age-group)
