7th May 2019

Dear Parents,

I am writing to let you know that on Monday 20th May, representatives from the NSPCC will be visiting us to present age-specific assemblies with the help of their mascot Buddy, then lead a workshop with Rye Class.

The visit is part of the NSPCC's **"Speak Out, Stay Safe"** programme. This is a nationwide programme that visits primary schools across the UK to ensure pupils have the knowledge and understanding to stay safe from abuse.

The "Speak Out, Stay Safe" programme is delivered through child friendly, interactive assemblies and workshops by specially trained staff and volunteers. The children will be given information on how to keep themselves safe from harm and how to get help if they have any worries, sensitively discussing issues like bullying and different forms of abuse.

The NSPCC carry out this programme on a rotational basis within primary schools nationally. We were part of this programme two years ago and I believe the children enjoyed the sessions and staff felt they were a useful way of getting across a very important topic. If you would like any more information about the NSPCC "Speak Out, Stay Safe" programme, you can find it on the NSPCC website - nspcc.org.uk/speakout.

Kind Regards,
