

Langton Primary School

Geography Curriculum – EYFS

Learning Goals

- Talk about the lives of the people around them and their roles in society.
- Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps.
- Know ways to care for their local environment.
- Explore the natural world around them, making observations and drawing pictures of animals and plants.
- Understand some important processes and changes in the natural world around them, including the seasons
- Make observations about the world around them.
- Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.
- Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.
